## FIRE TRUCK TOWER LADDER 9

"All New York City logos and marks depicted herein are the property of the City of New York and may not be reproduced without prior written consent. © 2021 City of New York. All rights reserved."

**Your 1:24 scale model of this FDNY fire truck is reproduced in the most exquisite detail, with telescopic Aerialscope ladder and buttons on the dashboard to operate the characteristic horn, siren and lights that will bring your legendary fire truck to life.**

*All the doors and storage compartments open to reveal tools used by the FDNY on rescue missions. Even the window winders work!*

*Flashing emergency lights accompany the siren sound for a realistic emergency response mode.*

*The inside of the cab replicates every detail, including the steering wheel, computer, dashboard controls, textured panels and decals.*

*Front lights and horn sound are controlled from the dashboard. The model includes a unique tool for operating the dashboard switches. The jacks and outriggers extend and retract to create two realistic operational positions.*

*Functional rear lights are operated from the dashboard.*

*Ladder measures 80 cm (31") when fully extended.*

**1:24  
SCALE**

**58 cm (23")**

## Supporting the FDNY

**FDNY**Foundation

Every FDNY fire truck model produced by Agora Models benefits the New York Fire Department Foundation whose mission is to promote fire and life safety education and help the FDNY better protect New York. The FDNY Foundation funds programs that advance the FDNY's goals, which include maintaining operational excellence, reaching out to the community with an array of fire and life safety programs, and ensuring that their firefighters and Emergency Medical Services personnel have the best available training and equipment.
